Dear MassCOSH supporter,

As you may know, our sisters and brothers at UNITE HERE Local 26 are on strike for better job security and conditions at Marriot Hotels, one of the wealthiest hotel buisnesses on the planet.

One of the issues that led to this strike is the rise of new hotel programs that encourage guests to forgo room cleanings. This results in hotel rooms filled with days of filth, exposing housekeepers to repetitive injuries, powerful cleaning chemical exposures, and job losses.

Not only do we encourage you to read this linked report on the many downsides of hotels encouraging guests to decline cleanings, but we also ask you to sign a pledge that supports striking members of UNITE HERE by clicking here

Worker solidarity is the most powerful tool we have to improve working conditions and pay. It also serves as a powerful check against the few but powerful wealthy corporations that seek profits over people. Please show your support by signing this pledge and helping to spread the word!
